Quick Setup Guide
## Covers StepNote XT Series Notebooks

Everex XT Series Quick Setup Guide

1. **Installing the Battery Pack**
   Insert battery in the battery compartment located on the bottom of the computer.
2. **Plugging the Power Cable (Figure 1)**
   1) Plug the AC adapter connector to the DC-IN socket on the rear side of the computer.
   2) Plug the power cable to the AC adapter.
   3) Plug the other end of the power cable to a live wall outlet.
3. **Opening the Display Panel (Figure 2)**
   1) Face the front side of the computer, position the latch to the center of the display panel.
   2) Slide the display latch to the right and raise the display panel.
   3) Adjust the display to a comfortable viewing angle.
4. **Turning on the Computer**
   To turn on the computer, press the power button and hold down for 2 seconds. The power LED on the panel will light up to indicate that the computer is on.

Using XT Series User Manual

For accessing the User Manual on your Windows® Desktop, please click the **All Programs**, **Manual**, then point to **XT Series_Manual_Everex**.(as shown in Figure 1) to read the User Manual (as shown in Figure 2)

(Figure 1)

(Figure 2)

Attention :

I. For Recovery System

Please refer to the information depicted in the Appendix B of User Manual on your Windows® desktop.

II. For Safety Regulation:

1. Risk of explosion if battery is replaced by an incorrect type.

2. For electrical safety concerns, only use telephone cables rated 26AWG or higher.

3. The Combo drive is a Class 1 Laser Product.

4. Li-Ion battery is vulnerable, do not charge it with other power adapter, or it may cause fire or explosion.

5. For the power supply of this equipment,

   - An approved power cord has to be used.

   - Make sure the socket and any extension cord(s) you use can support the total current load of all the connected devices.

   - Before cleaning the computer, make sure it is disconnected from any external power supplies (i.e. AC adapter).

For more details, please refer to the user manual on your Windows® desktop.
